MANAGEMENT INFORMATION CIRCULAR
(containing information as at June 8, 2017 unless indicated otherwise)

For the Annual General & Special Meeting to be held on Thursday, July 13, 2017

This management information circular (“**Information Circular**”) is furnished in connection with the solicitation of proxies by the management of Broadway Gold Mining Ltd. (the “**Corporation**” or “**Broadway**”) for use at the annual general & special meeting of the holders of common shares (“**Common Shares**”) of the Corporation (the “**Meeting**”) to be held on July 13, 2017 at 10:00 a.m. (Vancouver time) at 700-1199 West Hastings Street Vancouver, B.C. V6E 3T5. References in this Information Circular to the Meeting include any adjournment or adjournments thereof.

SOLICITATION OF PROXIES

The solicitation of proxies will be primarily by mail, but proxies may be solicited personally or by telephone by directors, officers and regular employees of the Company at nominal cost. The Company will bear all costs of this solicitation. We have arranged for intermediaries to forward the meeting materials to beneficial owners of the Common Shares held of record by those intermediaries and we may reimburse the intermediaries for their reasonable fees and disbursements in that regard. The record date to determine the registered shareholders entitled to receive the Notice of Meeting is June 8, 2017 (the “**Record Date**”).

APPOINTMENT, REVOCATION AND VOTING OF PROXIES

Appointment of Proxyholders

The individuals named in the accompanying form of proxy (the “**Proxy**”) are officers and/or directors of the Company. **IF YOU ARE A SHAREHOLDER ENTITLED TO VOTE AT THE MEETING, YOU HAVE THE RIGHT TO APPOINT A PERSON OR COMPANY OTHER THAN EITHER OF THE PERSONS DESIGNATED IN THE PROXY, WHO NEED NOT BE A SHAREHOLDER, TO ATTEND AND ACT FOR YOU AND ON YOUR BEHALF AT THE MEETING. YOU MAY DO SO EITHER BY INSERTING THE NAME OF THAT OTHER PERSON IN THE BLANK SPACE PROVIDED IN THE PROXY OR BY COMPLETING AND DELIVERING ANOTHER SUITABLE FORM OF PROXY.** If your Common Shares are held in physical form (ie. paper form) and are registered in your name, then you are a registered shareholder (“**Registered Shareholder**”). However, if, like most shareholders, you keep your Common Shares in a brokerage account, then you are a Beneficial Shareholder. The manner for voting is different for Registered Shareholders and Beneficial Shareholders. The instructions below should be read carefully by all shareholders.

Voting by Proxyholder

The persons named in the Proxy will vote or withhold from voting the Common Shares represented thereby in accordance with your instructions on any ballot that may be called for. If you specify a choice with respect to any matter to be acted upon, your Common Shares will be voted accordingly. The Proxy confers discretionary authority on the persons named therein with respect to:

- (a) each matter or group of matters identified therein for which a choice is not specified, other than the appointment of an auditor and the election of directors,
- (b) any amendment to or variation of any matter identified therein, and
- (c) any other matter that properly comes before the Meeting.

In respect of a matter for which a choice is not specified or where both choices have been specified in the Proxy, the persons named in the Proxy will vote the Common Shares represented by the Proxy for the approval of such matter.

Registered Shareholders

Registered Shareholders may wish to vote by Proxy whether or not they are able to attend the Meeting in person. Registered Shareholders electing to submit a Proxy may do so by:

(a) completing, dating and signing the enclosed form of Proxy and returning it to the Company's transfer agent, Computershare Investor Services Inc. ("**Computershare**"), by mail or by hand to the 8th Floor, 100 University Avenue, Toronto, Ontario, M5J 2Y1;

(b) using a touch-tone phone to transmit voting choices to the following toll-free number 1-866-732-8683. Registered Shareholders must follow the instructions of the voice response system and refer to the enclosed Proxy form for the holder's account number and the Proxy control number; or

(c) using the Internet through the website of the Company's transfer agent at www.investorvote.com. Registered Shareholders must follow the instructions that appear on the screen and refer to the enclosed Proxy form for the holder's account number and the Proxy control number.

In all cases ensuring that the Proxy is received at least 48 hours (excluding Saturdays, Sundays and holidays) before the meeting or the adjournment thereof at which the proxy is to be used.

Beneficial Shareholders

The following information is of significant importance to shareholders who do not hold Common Shares in their own name. Beneficial Shareholders should note that the only proxies that can be recognized and acted upon at the Meeting are those deposited by Registered Shareholders (those whose names appear on the records of the Company as the registered holders of Common Shares).

If Common Shares are listed in an account statement provided to a shareholder by a broker, then in almost all cases those Common Shares will not be registered in the shareholder's name on the records of the Company. Such Common Shares will more likely be registered under the names of the shareholder's broker or an agent of that broker. In the United States, the vast majority of such Common Shares are registered under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depository for many U.S. brokerage firms and custodian banks), and in Canada, under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms).

Intermediaries are required to seek voting instructions from beneficial shareholders in advance of shareholders' meetings. Every intermediary has its own mailing procedures and provides its own return instructions to clients. There are two kinds of beneficial owners - those who object to their name being made known to the issuers of securities which they own (called "**OBOs**" for "**Objecting Beneficial Owners**") and those who do not object to the issuers of the securities they own knowing who they are (called "**NOBOs**" for "**Non-Objecting Beneficial Owners**").

The Corporation is taking advantage of the provisions of National Instrument 54-101 of the Canadian Securities Administrators, which permit it to directly deliver Proxy-related materials to its NOBOs. As a result NOBOs can expect to receive a scannable Voting Instruction Form (a "**VIF**") from Computershare. These VIFs are to be completed and returned to Computershare in the envelope provided or by facsimile. In addition, Computershare provides both telephone voting and Internet voting as described on the VIF itself which contain complete instructions. Computershare will tabulate the results of the VIFs received from NOBOs and will provide appropriate instructions with respect to the shares represented by the VIFs they receive.

These securityholder materials are being sent to both registered and non-registered owners of the securities of the Corporation. If you are a non-registered owner, and the Corporation or its agent has sent these materials directly to you, your name and address and information about your holdings of securities, have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding on your behalf.

By choosing to send these materials to you directly, the Corporation (and not the intermediary holding on your behalf) has assumed responsibility for (i) delivering these materials to you, and (ii) executing your proper voting instructions. Please return your voting instructions as specified in your request for voting instructions.

Beneficial Shareholders who are OBOs will not receive the materials unless their intermediary assumes the costs of delivery.

The form of Proxy supplied to you by your broker will be similar to the Proxy provided to Registered Shareholders by the Corporation. However, its purpose is limited to instructing the intermediary on how to vote on your behalf. Most brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. (“**Broadridge**”) in the United States and in Canada. Broadridge mails a similar voting information form (the “**Broadridge VIF**”) in lieu of a Proxy provided by the Corporation. The Broadridge VIF will appoint the same persons as the Corporation’s Proxy to represent you at the Meeting. You have the right to appoint a person (who need not be a Beneficial Shareholder of the Corporation), other than the persons designated in the Broadridge VIF, to represent you at the Meeting. To exercise this right, you should insert the name of the desired representative in the blank space provided in the Broadridge VIF. The completed Broadridge VIF must then be returned to Broadridge by mail or facsimile or given to Broadridge by phone or over the internet, in accordance with Broadridge’s instructions. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Common Shares to be represented at the Meeting. **If you receive a Broadridge VIF, you cannot use it to vote Common Shares directly at the Meeting – the Broadridge VIF must be completed and returned to Broadridge, in accordance with its instructions, well in advance of the Meeting in order to have the Common Shares voted.**

Although as a Beneficial Shareholder you may not be recognized directly at the Meeting for the purposes of voting Common Shares registered in the name of your broker, you, or a person designated by you, may attend at the Meeting as proxyholder for your broker and vote your Common Shares in that capacity. **If you wish to attend at the Meeting and indirectly vote your Common Shares as proxyholder for your broker, or have a person designated by you do so, you should enter your own name, or the name of the person you wish to designate, in the blank space on the voting instruction form provided to you and return the same to your broker in accordance with the instructions provided by such broker, well in advance of the Meeting.**

Revocation of Proxies

In addition to revocation in any other manner permitted by law, a Registered Shareholder who has given a Proxy may revoke it by executing a Proxy bearing a later date or by executing a valid notice of revocation, either of the foregoing to be executed by the Registered Shareholder or the Registered Shareholder’s authorized attorney in writing, or, if the shareholder is a corporation, under its corporate seal by an officer or attorney duly authorized, and by delivering the Proxy bearing a later date to Computershare at 8th Floor, 100 University Avenue, Toronto, Ontario, M5J 2Y1, or at the address of the registered office of the Corporation at #507-595 Howe Street, Vancouver, BC, V6C 2T5, at any time up to and including the last business day that precedes the day of the Meeting or, if the Meeting is adjourned, the last business day that precedes any reconvening thereof, or to the chairman of the Meeting on the day of the Meeting or any reconvening thereof.

A revocation of a Proxy will not affect a matter on which a vote is taken before the revocation.

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

Other than as set forth in this Information Circular, no person who has been a director or executive officer of the Corporation at any time since the beginning of the last financial year, nor any proposed nominee for election as a director of the Corporation, nor any associate or affiliate of any of the foregoing, has any material interest, directly or indirectly, by way of beneficial ownership of securities or otherwise, in any matter to be acted upon at the Meeting other than the election of directors or the appointment of auditors.

VOTING SECURITIES AND PRINCIPAL HOLDERS THEREOF

The authorized share capital of the Corporation consists of an unlimited number of Common Shares without nominal or par value. The record date for the determination of shareholders entitled to receive Notice of the Meeting has been fixed at June 8, 2017 (previously defined as the Record Date). All such holders of record of Common Shares are entitled either to attend and vote thereat in person the Common Shares held by them or, provided a completed and executed proxy shall have been delivered to the Corporation’s transfer agent, Computershare Trust Company of Canada, within the time specified in the attached Notice of Meeting, to attend and vote thereat by proxy the Common Shares held by them.

Registered holders of Common Shares of record as at the close of business on the Record Date are entitled to vote such Common Shares at the Meeting on the basis of one vote for each Common Share held except to the extent that: (i) such person transfers his or her Common Shares after the close of business on the Record Date; and (ii) such transferee, at least ten (10) days prior to the Meeting, produces properly endorsed share certificates to the transfer agent of the Corporation or otherwise establishes his or her ownership of the Common Shares, in which case the transferee may vote those Common Shares.

The Articles of the Corporation provide that quorum for the transaction of any business at a meeting of shareholders shall be present at a meeting of shareholders if at least two persons who are, or who represent by proxy, shareholders who, in the aggregate, hold at least 5% of the issued shares of the Corporation entitled to vote at the meeting.

To the knowledge of the directors and executive officers of the Corporation, as of the date hereof, no person beneficially owns, or exercises control or direction over, directly or indirectly, voting securities of the Corporation carrying 10% or more of the voting rights attached to all outstanding Common Shares, other than as set out below:

CORPORATE GOVERNANCE

General

The Board views effective corporate governance as an essential element for the effective and efficient operation of the Corporation. The Corporation believes that effective corporate governance improves corporate performance and benefits all of its shareholders. The following statement of corporate governance practices sets out the Board's review of the Corporation's governance practices relative to National Instrument 58-101 - *Disclosure of Corporate Governance Practices* and National Policy 58-201 - *Corporate Governance Guidelines*.

Board of Directors

An "independent director" generally is one who has no direct or indirect material relationship with the Corporation. A "material relationship" is a relationship which could, in the view of the Board, be reasonably expected to interfere with the exercise of a director's independent judgment.

The Board, which is responsible for supervising the management of the business and affairs of the Corporation, is currently comprised of five directors of which two are independent as such term is defined in NI 52-110. The independent directors are Shawn Parnham and Tim Henneberry. Duane Parnham, Stephen Hanson and Suzanne Wood are not independent as they are members of the Corporation's management. Duane Parnham is President and CEO, Suzanne Wood is CFO and Secretary and Stephen Hanson is Chairman of the Board.

Orientation and Continuing Education

Given the current size of the Corporation and the Board, the Corporation provides only a limited orientation and education program for new directors. This process includes discussions with management and the Board, with respect to the business and operations of the Corporation. Each new Board member is also entitled to review all previous minutes of the Board and the shareholders.

Ethical Business Conduct

The Board has found that the fiduciary duties placed on individual directors pursuant to corporate legislation and the common law, and the conflict of interest provisions under corporate legislation which restricts an individual director's participation in decisions of the Board in which the director has an interest, have been sufficient to ensure that the Board operates independently of management and in the best interests of the Corporation.

Nomination of Directors

All members of the Board are encouraged to identify prospective additions to the Board. Any recommendations would be approved by the entire Board and elected annually by the shareholders of the Corporation.

The Board must have a sufficient number of directors to carry out its duties efficiently, presenting a diversity of views and experience. The Board as a whole reviews the contributions of the directors and considers whether the current size of the Board promotes effectiveness and efficiency, and currently believes that the appropriate size of the Board is four members.

Compensation of Directors and Officers

For a discussion on the process by which the Board determines compensation for the directors and executive officers, see "*COMPENSATION OF DIRECTORS AND EXECUTIVE OFFICERS – Compensation Discussion and Analysis*".

Other Board Committees

The Board has no other standing committees other than the Audit Committee.

Assessments of Directors, the Board and Board Committees

The Board monitors the adequacy of information given to directors, the communications between the Board and management and the strategic direction and processes of the Board and its Audit Committee, to satisfy itself that the Board, its Audit Committee and its individual directors are performing effectively.

COMPENSATION OF DIRECTORS AND EXECUTIVE OFFICERS

Compensation Discussion and Analysis

The objective of the Company's compensation strategy is to attract, retain and motivate directors, officers, employees and other service providers by providing them with the opportunity, through share options, to acquire a proprietary interest in the Corporation and benefit from its growth.

During the financial year ended August 31, 2016 the Corporation granted an aggregate of 950,000 incentive stock options (the “**Options**”) to its directors, officers, employees, and consultants under the Corporation’s Share Option Plan (the “**Plan**”), which provides that the Board of Directors of the Corporation may from time to time, in its discretion, and in accordance with the Exchange requirements, grant to directors, officers, employees, and consultants to the Corporation, non-transferable Options to purchase Common Shares, provided that the number of Common Shares reserved for issuance will not exceed 10% of the issued and outstanding Common Shares at the date of granting the Option. 575,000 Options have been exercised. At the date of this Management Information Circular, the Corporation currently has 2,990,000 Options outstanding.

With respect to the grant of Options, the Chief Executive Officer recommends to the Board the individual equity incentive awards for each executive officer and director. The Board then takes these recommendations into consideration when making final decisions on compensation for those executive officers/directors. The Board does not use formulas for each grant, but is restricted by the policies of the Exchange and the Plan in how many Options it may grant. Options granted under the Plan are awarded to executive officers and directors by the Board based upon the level of responsibility and contribution of the individuals towards the Corporation’s goals and objectives. Previous grants of Options to a particular individual will be taken into account when considering future grants of Options to that particular individual.

The Company has no equity compensation plans other than the Plan.

Share Based and Non-Equity Incentive Plan Compensation

The Corporation has not at any time granted any share-based awards nor has it provided any awards pursuant to a non-equity incentive plan.

Benefit, Contribution, Pension, Retirement, Deferred Compensation and Actuarial Plans

The Corporation currently has no defined benefit, defined contribution, pension, retirement, deferred compensation or actuarial plans for its Named Executive Officer or directors of the Corporation.

- (d) each individual who would be a Named Executive Officer under paragraph (c) but for the fact that the individual was neither an executive officer of the Company, nor acting in a similar capacity, at the end of that financial year.

PARTICULARS OF OTHER MATTERS TO BE ACTED UPON

Annual Approval of Share Option Plan

The Corporation presently has in place a “rolling” share option plan whereby the Corporation is authorized to grant stock options of up to 10% of its issued and outstanding shares, from time to time (the “**Plan**”). The purpose of the Plan is to attract and motivate directors, officers, employees, consultants and others providing services to the Corporation and thereby advance the Corporation’s interests, by affording such persons with an opportunity to acquire an equity interest in the Corporation through the issuance of stock options. As a “rolling” stock option plan, the Plan is required to be approved by the Shareholders each year at the Corporation’s Annual General Meeting.

Accordingly, shareholders are being asked to approve the Plan which was initially approved by shareholders of the Corporation at the meeting of shareholders held on January 12, 2012. Updates made to the Exchange Policy 4.4 in May 2013 and incorporated in the Plan were approved at the June 26, 2015 Annual General & Special Meeting.

General Description of the Plan

The following information is intended as a brief description of the Plan and is qualified in its entirety by the full text of the Plan, which will be available for review at the Meeting:

- (a) Common Shares reserved for issuance will not exceed 10% of the issued and outstanding Common Shares at the date of granting the stock option. At the date of this Management Information Circular, the Corporation currently has 2,990,000 outstanding stock options granted to the Corporation's officers and directors pursuant to the Plan, the number of securities remaining available for future issuance under the Plan is currently 705,920 however if any option expires or otherwise terminates for any reason without having been exercised in full, the number of shares in respect of which the option expired or terminated shall again be available for the purposes of the Share Option Plan.
- (b) The exercise price per common share for a stock option will be set by the Board and may not be less than the Discounted Market Price (as calculated pursuant to the policies of the Exchange);
- (c) Stock options granted under the Plan may be exercisable for a maximum of 10 years from the date of grant for a Tier 1 Issuer or 5 years from the date of grant for a Tier 2 or a NEX Issuer;
- (d) Stock options granted to directors, officers and all employees and consultants employed or retained by the Corporation will be deemed fully vested and are exercisable immediately, notwithstanding options granted to consultants conducting investor relations activities will vest over a period of not less than 12 months as to 25% on the date that is three months from the date of grant and a further 25% on each successive date that is three months from the date of the previous vesting, or such longer vesting period as the Board may determine;
- (e) The number of Common Shares reserved for issuance under the Plan to any individual director or officer in a 12 month period will not exceed five percent (5%) of the issued and outstanding Common Shares and the number of Common Shares reserved for issuance to all consultants and service providers conducting investor relations activities will not exceed two percent (2%) of the issued and outstanding Common Shares.
- (f) Options may be exercised no later than 90 days following cessation of the optionee's position with the Corporation and if the cessation of office, directorship, or consulting arrangement was by reason of death, the option may be exercised within a maximum period of one year after such death, subject to the expiry date of such option.

A copy of the Plan is available upon request from the Corporation.

Outstanding Options

There are currently 2,990,000 incentive stock options outstanding under the Plan, representing 80.9% of the currently available options, and 8.1% of the issued Common Shares. Accordingly, a total of 3,695,920 options (representing 10% of the outstanding common shares as at current date) are permitted to be granted under the Plan, and therefore an additional 705,920 options are currently available for grant under the Plan.

Annual Shareholder Approval of the Plan

Shareholders will be asked at the Meeting to consider and, if thought fit, pass an ordinary resolution in substantially the following form:

“RESOLVED, as an ordinary resolution, that the Corporation's Share Option Plan, as described in the Corporation's Information Circular dated June 8, 2017 and the grant of options thereunder in accordance therewith, be approved.”

The Board considers that the ability to grant incentive stock options is an important component of its compensation strategy and is necessary to enable the Corporation to attract and retain qualified directors, officers, employees and consultants. **The Board therefore recommends that shareholders vote “For” the resolution approving the Corporation's Share Option Plan.** Unless otherwise instructed, the Corporation's management nominees named in the enclosed form of proxy will vote “IN FAVOUR” of the above resolution. If the Plan is not approved by the shareholders, existing options will not be affected, but new options granted by the Corporation will be required to be approved by the shareholders before they can be exercised by the holders thereof.

OTHER BUSINESS

While there is no other business other than that business mentioned in the Notice of Meeting to be presented for action by the shareholders at the Meeting, **it is intended that the proxies hereby solicited will be exercised upon any other matters and proposals that may properly come before the Meeting or any adjournment or adjournments thereof, in accordance with the discretion of the persons authorized to act thereunder.**
